GlobalRegistrations.US

Global Registrations has expanded to a full-support export documentation company, helping US companies to get product registration in their choice of overseas markets, closing distribution deals, and ensuring foreign payments, all based on proper documentation.

Headquartered in Washington DC within blocks of the world's Embassies and federal agencies, Global Registrations also handles the necessary legalization and authentication of documents before they can be accepted overseas, eg. Certificates of Free Sale, Certificate of Origin, Commercial Invoice, Good Manufacturing Practice, Letter of Authorization, Power of Attorney, Certificate of Pharmaceutical Product, and hundreds more. We do this faster than anyone, with crypto security, and total visibility to our clients on the process. Call or email us:
